

Rapidrop Global Ltd

British Manufacturer of Fire Detection & Suppression Equipment

World Wide Projects

Global Reach

Rapidrop have supplied sprinklers and fire suppression systems to thousands of projects in hundreds of cities worldwide. We are able to provide fire suppression systems regardless of the size of the project, whether it is a domestic fire protection system or a project as large and iconic as London's Shard.

Rapidrop have manufactured sprinkler products for international airports including Heathrow Terminals 2 and 5, London City, Denmark, Sweden and Spain as well as airport hangers and various RAF bases. Rapidrop sprinklers have been installed throughout the world in Hilton, Intercontinental, Sheraton and Novotel Hotels.

Hospitals and medical centres worldwide have been fitted with Rapidrop sprinkler systems as well as primary schools, high schools, academies, technical colleges and universities. Offices include the iconic St Mary's Axe, (the Gherkin), Canary Warf and the Shard as well as the Bank of Tokyo, Barclays, HSBC and Dubai Bank amongst hundreds of other offices.

Retail outlets range from Burberry to Ikea to Rolls Royce showrooms as well as shopping centres and malls in the UK, Turkey, Bulgaria and Greece to name a few. Rapidrop projects also extend to manufacturing facilities & warehouses worldwide.

Entertainment and sporting venues include Wimbledon All England Tennis Club, Wembley Stadium and Arsenal's Emirates Stadium, Centre Parcs, the Eden Project, Xscape snow dome, Legoland Denmark, the Reykjavik Opera House and Ferrari World in Abu Dhabi.

Big or small, near or far, Rapidrop provides solutions to the fire detection and suppression industry regardless of size or location.
